SUMMARY

Recent graduate with a Bachelor's degree in Computer Science. Eager to contribute technical expertise and creativity to a dynamic software development team. Proficient in **MongoDB, Express, React, Node.js, JavaScript, HTML5, and CSS3** with a solid foundation in algorithms and data structures. A quick learner who thrives in collaborative environments, seeking opportunities to build innovative solutions and enhance user experiences.

EXPERIENCE

MERN stack Trainee

Seebiz pvt. ltd.

January 2024 - Present, Lahore

- Participated in an intensive training program focused on the MERN (MongoDB, Express.js, React, Node.js) stack.
- Gained hands-on experience in building full-stack web applications from scratch.
- Collaborated with mentors and fellow trainees on real-world projects, enhancing my understanding of end-to-end development.
- Developed responsive user interfaces using React and styled-components.
- Implemented RESTful APIs using Express.js and connected them to MongoDB databases.

Associate software Engineer

NETSOL Technologies Ltd.

June 2022 - February 2023, Lahore

- Collaborate on BAIC project (China auto-mobile company).
- Contributed to the design, implementation, testing, and debugging of software products or components.
- Understand customer needs and requirements to develop software solutions that meet or exceed their expectations.
- Completed different assignments to understand the product.

PROJECTS

Career Path Decider

Final year Project

- developed on flutter
- Take interest and the last qualification of the user to tell the user about different fields where he can go.
- Used Firebase for authentication services.

CRUD App

Seebiz pvt ltd.

- Developed an application using the **Express.js** framework.
- Implemented **CRUD (Create, Read, Update, Delete)** functionality for managing data.
- Leveraged **RESTful API design principles** to create endpoints for each operation.

SKILLS

Front End: JavaScript, React, Bootstrap, Html5, CSS3

Back End: NodeJS, ExpressJS, MongoDB,

Tools & Technologies: Visual Studio code, Postman, Git&github

EDUCATION

Bachelor's in Computer Science

University of Agricultural · Faisalabad · 2022 · 3.64

COURSEWORK

Introduction to Programming

Data Structure & Algorithms
